MEDICAL PREFERENCES

Preference Type	Details
Life Support	I wish to receive or withdraw life support as described in this directive.
Palliative Care	I opt for palliative care and comfort over aggressive treatment.

This Advanced Health Directive outlines my preferences regarding medical treatment and care in the event I am unable to communicate my wishes. It serves to provide guidance to healthcare professionals and my family about my desired level of care.

I appoint my brother, Jordan Example, as my primary decision-maker should I be incapacitated and unable to convey my healthcare preferences. It is my wish that my family be consulted in any critical decision-making.
